## Structure

### (i). BICG – Bologna Implementation Coordination Group

#### 3 Thematic Peer Groups (TPGs):

- TPG A - QF-EHEA
- TPG B - LRC
- TPG C – QA

<b>Name of the Working Group</b>
<i>Bologna Implementation Coordination Group (BICG)</i>
<b>Contact persons/Co-Chairs</b>
<ul style="list-style-type: none"> <li>• Austria</li> <li>• Bulgaria</li> <li>• Italy</li> </ul>
<b>Composition</b>
<p>Albania; Austria; Belgium Flemish Community; Bulgaria; European Commission; Georgia; Italy; Romania; EUA - European University Association; EURASHE; one Co-chair of Thematic Peer Group A on Qualifications Framework; one Co-chair of Thematic Peer Group B on the Lisbon Recognition Convention; one Co-chair of Thematic Peer Group C on Quality Assurance; one Co-chair of Working Group on Monitoring the Implementation of the Bologna Process.</p> <p>In principle, the BICG Co-chairs should not be chairs of a Thematic Peer Group. The BICG should represent the geographical diversity of the EHEA and ensure a balance of expertise across all key commitments. To ensure continuity and diversity, the turnover from one work period to another should not be more than two thirds the BICG members.</p>
<b>Purpose and/or outcome</b>
<p>The purpose of the BICG is to facilitate a coordinated implementation of the three Key Commitments. To achieve that, the BICG coordinates the work of the TPGs, facilitates an exchange of experience and best practice between the TPGs’ co- chairs. The BICG follows the peer support activities and reports to the BFUG on the overall progress and necessary review of the approach or methodology of peer support.</p> <p>The activities should build upon the work of the BICG in the period 2018-2020 and the outcomes and recommendations of the work of the TPGs presented in the BICG Report.</p>

### Reference to the Rome Communiqué

*” We take note of the results described in the **Bologna Process Implementation Report** on the progress made over the past two decades. The achievements are impressive. Nevertheless more work is required to ensure that the EHEA is built on strong foundations, capable of supporting interconnected, innovative and inclusive higher education in the coming decade.*

*In the 2018 Paris Ministerial Conference we decided to devote special effort to completing implementation of three “**Key Commitments**” essential for the functioning of the EHEA: the **Qualifications Frameworks and ECTS**, the **Lisbon Recognition Convention** and the **Diploma Supplement**, and **Quality Assurance** according to the **Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG)**.*

*We reconfirm our determination to see the **Key Commitments** fully implemented. We ask the **BFUG** to continue to employ the **peer support method** to achieve this. We commit to the continued participation in and contribution to this effort.”*

*“We will strengthen the implementation of the Council of Europe/UNESCO Lisbon Recognition Convention and apply its principles to qualifications and periods of study outside the EHEA, using common assessment criteria and reports, in collaboration with the Lisbon Recognition Convention Committee and the ENIC and NARIC Networks.*

*We will ensure automatic recognition of academic qualifications and periods of study within the EHEA so that students, staff and graduates are able to move freely to study, teach and do research. We will make the necessary legislative changes to guarantee automatic recognition at system level for qualifications delivered in EHEA countries where quality assurance operates in compliance with the ESG and where a fully operational national qualifications framework has been established. We also encourage the application of agreed and secure systems of digital certification and communication such as blockchain, as well as the further development of the Database of External Quality Assurance Results (DEQAR) to facilitate automatic recognition.*

*We commit to reviewing our own legislation, regulations, and practice to ensure fair recognition of qualifications held by refugees, displaced persons and persons in refugee-like situations, even when they cannot be fully documented, in accordance with Article VII of the Lisbon Recognition Convention. We welcome the European Qualifications Passport for Refugees and will support further broadening its use in our systems.*

**Specific tasks**

- Coordinate the work of the TPGs;
- Follow-up peer support activities by keeping an overview of the composition and activities of the different groups;
- Seek to improve the Peer Support Approach for the implementation of the Key Commitments, including possible adjustments;
- Identify synergies in the work of the Thematic Peer Groups;
- Give the BFUG regular updates and an overview on the progress and effectiveness of the Peer Support Approach for the implementation of the Key Commitments, based on the activities of the TPGs;
- Prepare analytical reports to the BFUG on the activities of the different TPGs and the support for the implementation of Key Commitments as a whole, including operation (what works, what does not work), impact and usefulness;
- Prepare recommendations for further action to improve implementation for consideration by the BFUG;
- Provide an assessment of thematic peer groups as a working method, including whether they should be extended to other policy areas within the competence of the BFUG.

**Reporting**

Minimum of yearly reporting to the BFUG.

**Meeting schedule**

To be decided

**Liaison with other WGs' activities**

- WG on Monitoring and any other relevant BFUG structures

**Additional remarks on the Thematic Peer Groups (TPGs)**

The objective of the TPGs is to provide a forum to support countries in working together to implement the Key Commitments. The TPGs should continue using the Peer Support Approach and build on the work accomplished during the previous work period.

The TPGs should follow up and update their action plans to reflect countries' progress and developments.

The countries and organisations should nominate representatives of authorities and stakeholders with relevant expertise in the topic for the duration of the entire work period.

The co-chairs of the TPGs should be appointed by the BFUG and be responsible for planning, coordinating and reporting on the activities of the TPGs.

There should be no more than three co-chairs per TPG respecting also a principle that one country should co-chair no more than one TPG or BICG.

The TPGs' Co-chairs:

- TPG A: Austria; Georgia; Latvia
- TPG B: Albania; France; Italy
- TPG C: Belgium Flemish Community; Kazakhstan; Romania

<p><b>Purpose and/or outcome</b></p> <ul style="list-style-type: none"> <li>➤ To support the members of the EHEA in developing successful ways to improve strategies for the enhancement of learning and teaching. The working group will base its work on the recommendations that were endorsed by Ministers in the 2020 Conference of Ministers [as result of the 2018-2020 BFUG Work Programme], in particular Annex III of the Communiqué, thus, translating these into an operational action framework and – where possible – into measurable, qualitative indicators. The group will include the following topics:             <ul style="list-style-type: none"> <li>• Making student-centred learning a reality across the entire EHEA;</li> <li>• Supporting staff development;</li> <li>• Fostering innovative learning and teaching. These should ensure inter-disciplinary, inter-sectoral and experiential learning as outcomes. Innovations in learning and teaching should</li> </ul> </li> </ul>

also contribute to opening up higher education to lifelong and non-traditional learners, for example through micro-credentials;

- Discussing assessment in higher education to encompass a wider set of learning outcomes, in addition to disciplinary knowledge, such as inter-disciplinarity and transversal, green and digital competences;
- Strengthening the capacity of higher education institutions and systems, to support the continuous improvement of learning, teaching and assessment;
- Developing international learning environments for the students, such as the inclusion of a mobility experience or access to internationalisation at home).

In view of its establishment during the COVID-19 pandemic, this group aims also to strengthen the resilience of higher education system, with a focus on future skills, high quality learning, teaching, and assessment methods and strong links with research and innovation.

#### Reference to the Rome Communiqué

*“We adopt the **“Recommendations to National Authorities for the Enhancement of Higher Education Learning and Teaching in the EHEA” (Annex III)** and commit to follow them, supporting higher education institutions in further implementing student-centred learning and teaching. The recommendations comprise increased support for all learners, and for teaching and non-teaching staff. Academic staff, including junior academics, require stable employment and career opportunities, parity of esteem for teaching and research, attractive working conditions, access to up-to-date staff development, and recognition of their achievements. In all these respects we will foster dialogue and collaboration on learning and teaching in our national systems and at EHEA level.”*

*“**Flexible and open learning paths**, part of the original inspiration for the Bologna Process, are important aspects of **student-centred learning** and are in increasing demand in our societies. In addition to full degree programmes, many higher education institutions offer or plan to offer **smaller units of learning**, which enable learners to develop or update their cultural, professional, and transversal skills and competences at various stages in their lives. We ask the BFUG to explore how and to what extent these **smaller, flexible units, including those leading to micro-credentials**, can be defined, developed, implemented and recognised by our institutions using EHEA tools.*

*“We commit to **supporting our higher education institutions in using digital technologies** for learning, teaching and assessment, as well as for academic communication and research, and to investing in the development of digital skills and competences for all.”*

#### Specific Tasks

- Further develop the recommendations in Annex III of the Rome Communiqué by

**translating them into concrete actions at European/EHEA level and developing measurable qualitative indicators**, which can serve as a basis for monitoring the progress on learning and teaching in EHEA;<sup>1</sup>

- Support member countries in the development of concrete national actions and strategies to implement the above recommendations. This could entail, but does not need to be limited to, organising forums and/or seminars for policy makers and HEI;
- Organise a survey based on the recommendations to map challenges and actions within the EHEA and inform further work in this period. Repeat this survey at the end of the working period;
- 'In preparation of the 2024 ministerial conference, recommend concrete policy actions to the BFUG and ministers on the implementation of micro-credentials in the EHEA, in line with the developments in the European Education Area;
- Make concrete recommendations on strengthening innovative learning, teaching and assessment, including student-centred, trans-disciplinary, challenge-based and STEAM approaches;
- Identify lessons learnt during the COVID-19 crisis for learning, teaching and assessment in higher education in the EHEA. Translate these into recommendations and actions for policymaking at the level of public authorities. Emphasis might be put on the digital transformation of higher education institutions and systems and on future skills development for teachers and learners.

### Reporting

Minutes of the working group meetings and the results of the surveys shall be made available to the BFUG.

BFUG shall receive regular reports and updates and be consulted, if needed. Progress reports will be submitted by the working group at each BFUG meeting.

More specifically, the set of indicators measuring progress shall be agreed with the BFUG. In between the BFUG meetings, updates shall be circulated by the BFUG Secretariat via email.

The draft of the 2024 working group report will be presented and discussed at the BFUG meeting at the end of 2023.

### Meeting schedule

<sup>1</sup> This objective in particular raises the question of funding; to do this properly funding would be necessary to define and implement a systematic project approach. An EC funded umbrella project is suggested here, such as in the peer support groups of the current working period
