Reference to the Bologna Policy Forum Statement

“We, the Ministers, commit to supporting this ongoing, successful interregional dialogue on issues of common concern amongst policy makers, stakeholder organisations, students, staff and higher education institutions. We propose the establishment of a Global Working Group in the next 2018 -2020 Bologna work programme to take this agenda forward and we invite countries to express their interest to hold high level workshops on a yearly basis to continue the dialogue on social inclusion and the wider role of higher education.”

Reporting

Minutes of coordination group meetings and updates on activities will be made available online to the BFUG by the BFUG Secretariat. The BFUG Secretariat, at the request of the CG Chairs, may circulate relevant updates to the CG members.

The BFUG shall also receive regular reports and updates from the group. To ensure good communication with the BFUG as a whole and for the necessary consultations, progress reports shall be submitted at least two weeks before each BFUG meeting.

Timeframe:

Meetings are to be electronic when possible. Smaller ad hoc groups may be delegated for specific tasks or relations with specific regions. The exact programming will be discussed by the Co-chairs and the members of the Coordination Group; however, the following constitutes an initial draft schedule:

December 2018 – January 2019:

1. Provide follow-up to the countries and regional or international organizations of HEIs or HEI stakeholders that attended the Paris Bologna Policy Forum, inquiring about interests and suggestions for the Global Policy Dialogue and the Global Policy Forum;
2. Send information on the Global Policy Dialogue and the Global Policy Forum; to the countries and regional or international organizations of HEIs or HEI stakeholders that did not attend the Paris meeting, inviting them to share views and participate;
3. Contact the other significant HE networks and international initiatives, such as those supported by the European Commission, that have created premises for macro-regional and/or national dialogue with the EHEA and the wider world, to gain their insights and evaluate their potential contribution;
4. Identify volunteers to host the ‘joint meetings’ as proposed in the Statement (or alternatively, or in addition, in connection with the previous point, designate as contributing to the ‘Global Dialogue’ appropriate initiatives already planned by countries, international HE organizations, other stakeholders).

February – March 2019:

5. Report to the Spring BFUG meeting and propose further suitable ways to address arising issues, including specific task forces or working groups if and as necessary or advisable.

In general, the plans presented to the BFUG will specify actions to be undertaken in 2019 and 2020, including:

6. Events to be organized or designated as contributing to Global Policy Dialogue
7. Support for the preparation of participation in and the agenda and programme of the Global Policy Forum to be held in Rome, June 2020.
8. Lay the way for the continuation of Global Policy Dialogue after the Rome meeting.
