Dear Ministers,

I would like to thank you, on behalf of the Ministry of Education and Science of the Republic of Armenia, for your letter dated May 3, 2013 wherein you state your interest in joining the European Higher Education Area (EHEA) and ask for advice on the EHEA accession issues.

As you may know, the accession to the EHEA is contingent upon an applicant country fulfilling two criteria: it must be a party to the European Cultural Convention and its competent public authorities must commit to implementing the main objectives and policies of the EHEA, while upholding the principles of the Bologna Process.

Please kindly note that your letter will be brought to the attention of the BFUG Board in its upcoming meeting of 17 September 2013 in Tbilisi, Georgia.

Sincerely yours,

Gayane Harutyunyan  
Head of the Bologna Secretariat
