

**Official Bologna Seminar**

**Employability:**

**The Employers' Perspective and its Implications**

**Bernd Mentzel, Volkswagen Group, AutoUni**

**Luxemburg, November, 7<sup>th</sup> 2008**

- AutoUni is an institution of further education belonging to Volkswagen Group.
- AutoUni makes new knowledge of the highest calibre available to the group through its courses and research projects.
- A scientific approach is allied to practical knowledge at AutoUni. The resulting courses and learning options are aimed at the group's specialist and management employees.

# AutoUni | Structure
