National Framework of Qualifications

AWARDING BODIES

- Quality and Qualifications Ireland (QQI) makes awards in further and higher education and training
- SEC - State Examinations Commission (Department of Education and Skills)
- Institutes of Technology
- Universities

AWARDS IN THE FRAMEWORK

There are four classes of award in the National Framework of Qualifications:

- Major Awards:** named in the outer rings, are the principal class of awards made at a level
- Minor Awards:** are for partial completion of the outcomes for a Major Award
- Supplemental Awards:** are for learning that is additional to a Major Award
- Special Purpose Awards:** are for relatively narrow or purpose-specific achievement

Quality and Qualifications Ireland
Dearbhú Cáilíochta agus Cáilíochtaí Éireann

The Irish National Framework of Qualifications (NFQ) is used to facilitate recognition of foreign qualifications in Ireland. QQI aims to provide advice on the general academic recognition of a foreign qualification by comparing it, where possible, to a major award at a certain level on the NFQ. Please see comparability advice organised by country below. A comparability statement for each award is available for download by clicking on the qualification of interest.

Advice on Academic Recognition of a Foreign Qualification Comparability Statement

Foreign Qualification:	Laurea Magistrale / Laurea Specialistica/Dottore Magistrale Masters Degree
Country:	Italy
NFQ Award-Type / Level:	Masters Degree at NFQ Level 9
NFQ LEVEL SUMMARY Learning outcomes at Level 9 relate to the demonstration of knowledge and understanding which is at the forefront of a field of learning. The outcomes relate to the application of knowledge, understanding and problem-solving abilities in new or unfamiliar contexts related to a field of study. The outcomes are associated with an ability to integrate knowledge, handle complexity and formulate judgements. Outcomes associated with this level would link with employment as a senior professional or manager with responsibility for the work outputs of teams.	

The recognition advice provided above is based on current understandings of the comparability of qualifications on the basis that qualifications are awarded by nationally recognised awarding bodies in their country of origin. The advice given may need to be re-examined in the future on the basis of changes and developments in national and international education and training systems and our knowledge thereof. We welcome feedback on the information provided; feedback should be submitted through the QHelp portal at www.QQI.ie

The advice presented does not represent access to employment, a regulated profession or education and training. The information provided may assist an employer, professional recognition body or education and training provider determine if an applicant holds the qualifications deemed necessary for employment/programme entry. However, final recognition decisions for the purposes of accessing further education and/or employment are made by education institutions, professional recognition bodies and employers.

The National Framework of Qualifications (NFQ) for Ireland is used to place foreign qualifications in the context of the Irish education and training system. The major awards in the NFQ have been referenced to the EQF and aligned to the QF-EHEA.
