

# Advisory Group 2 on Learning and Teaching

Update and presentation of the final version  
September 24, 2020

# Products delivered by AG2

- ▶ Final report
    - Principles and guidelines on three themes
    - Including best practice examples
      - 22 examples from 13 EHEA countries
  - ▶ Annex to the communiqué
    - Recommendations to governments
  - ▶ Draft terms of reference for next period
- 

# Final discussion points

- ▶ After the last BFUG → online meeting with AG2
  - Shaping the text in light of corona crisis
    - Conclusion: too early to integrate lessons learned + discussion on best practices takes place elsewhere.
  - Commence work on the ToR
    - A ToR subgroup was formed, which met once and held consultations via e-mail.

# Final discussion points (2)

- ▶ Feedback from board meeting:
  - Some textual remarks
  - Discussion on how to be more concrete: who needs to take what action in order to achieve goals.
    - Conclusion: where possible, changes in formulation. In general → this is central to the task for the next working period
- ▶ After a last round of consultations with AG2:
  - Textual changes
  - Summary and introduction adapted to better fit content
