

Advisory Group 2

Learning and Teaching
Bologna Board meeting April 2, 2020

- ▶ Update of the work
 - ▶ Inspiring practices
 - ▶ What's next?
- 

Update of our work

Reminder:

- ▶ Two documents
 1. Update of the work (longer version)
 - Recommendations and principles
 - Best practice examples
 2. Proposed annex to communiqué
 - Short version

Update of our work (2)

- Since BFUG Kyiv:
 - Online meeting on March 18
 - Aim: take into account the BFUG's comments + room for further discussion within AG2
- BFUG's main comments:
 - Agreement on having L&T principles as annex
 - Some themes from longer document missing in short version
 - Closer look at division of responsibilities needed
 - Discussion on level of concreteness
 - Request for time to send more inspiring practices

Update of our work (3)

▶ Changes to annex

- Three themes remained
 - Making student centred learning a reality
 - Foster the continuous enhancement of teaching
 - Strengthen institutional and systems' capacity to enhance learning and teaching
- Overall changes to wording (for clarity and consistency)
- Emphasis on (amongst others) future skills, digitalisation, international dimension
- Elaborated in final paragraph on the way ahead

Inspiring practices

- ▶ BFUG members were invited to submit inspiring practices until March 25.
- ▶ We now have practices from:
 - Austria, Belgium French Community, Czech Republic, Finland, France, Germany, Italy, Netherlands, Poland, Romania, Switzerland.

Way forward

- ▶ Final edits to the long version of the document.
 - Inspiring practices?
 - ▶ Final edits to the annex (depending on discussion in next BFUG)
 - Possibly: final AG2 meeting
 - ▶ Next working period: recommendation to continue work on L&T
