Reference to the Rome Communiqué

We adopt the “Principles and Guidelines to Strengthen the Social Dimension of Higher Education in the EHEA” (Annex II) based on a broadened understanding of the social dimension, and commit to implementing them in our systems. We will engage in wide-ranging policy dialogue on how to implement the principles and guidelines fully at national level. We will support our higher education institutions in integrating them into their institutional culture and core missions: learning and teaching, research and innovation, knowledge circulation and outreach, institutional governance and management. We ask the BFUG to report back to us in 2024 on the steps taken and the related monitoring measures to assure evidence-based follow-up.

Specific Tasks

- Developing a system of monitoring the implementation of the Principles and Guidelines to Strengthen the Social Dimension of Higher Education in the EHEA. It will enable measuring the impact of the broadened definition of the social dimension in the Principles and Guidelines on the work of different higher education institutions;
- Defining indicators and benchmarks for the principles included in the Principles and Guidelines to Strengthen the Social Dimension of Higher Education in the EHEA;
- Organising peer support activities for social dimension to support the implementation of the Principles and Guidelines among the EHEA members. The Working Group should consider establishing partnerships for implementing Thematic Country Reviews for Social Dimension to systematically collect country needs for peer support;
- Organising a seminar on the social dimension at the end of the cycle in 2024 to discuss the progress made in developing social dimension policies in the EHEA members.

Reporting

Minutes of working group meetings and key documents developed by the Working group will be made available on the EHEA website www.ehea.info. The Bologna Secretariat will provide administrative support for the work of the Working Group. The BFUG should also receive regular reports and updates from the group.
