

The official Bologna Seminar on
Employability in the context of the Bologna process
Bled/Slovenia 21st-23rd of October 2004

RECOMMENDATIONS

2. Recommendations to the Bologna Follow-up Group

2.1 The seminar participants recommend to the BFUG that the notion of employability and general conclusions as developed above¹ are included as reference points in further Bologna seminars and other activities, in particular those dealing with learning outcomes and an Overarching Framework of Qualification for EHEA.

2.2 The seminar participants recommend to the BFUG strengthening active participation of employers' and trade unions' organizations as well as professional associations at various levels and fostering a debate on their systemic integration into formulation of higher education policies.
