Draft Invitation for EHEA delegations

Your Excellency,

It is our great honour, on behalf of the Ministry of Education and Research of Romania and the Ministry of Education and Research of the Republic of Moldova, to extend to you an invitation to participate in the **European Higher Education Area (EHEA) Ministerial Conference and Global Policy Forum**, to be held in **Iași, Romania, and Chișinău, Republic of Moldova, from the 26th to the 27th of May 2027.**

These high-level events will provide an important platform for ministers, policy-makers, and key stakeholders to engage in strategic discussions on the future of the EHEA, as well as on ways to strengthen global cooperation in higher education. Along with the adoption of the Ministerial Communiqué, setting the future priorities of the Bologna Process, the Ministerial Conference will also be invited to adopt or revise essential tools in the field of quality assurance, internationalisation and mobility.

The national delegations may consist of up to six members, which should include a leader of a higher education institution and a democratically elected student representative.

The host countries will provide meals and local transportation for all official delegations throughout the duration of both the Ministerial Conference and the Global Policy Forum, including the transport between Iași and Chișinău. Please note that travel and accommodation arrangements will remain the responsibility of the participants or their respective institutions. We encourage supporting the participation of student representatives through covering their travel costs.
