Main Outcomes

The first screenshot shows a 'Match your qualification' tool on the MAREN website. It includes a search bar with 'Spain' selected and 'Grado - Bachelor' as the qualification. A 'COMPARISON' button is visible. Below the search bar is a table with the following data:

COUNTRY	QUALIFICATION
Spain	Grado - Bachelor
EQF Levels	EQF Level 6

The second screenshot shows a 'Transnational Education' publication page. It features logos for AdRen and MAREN, along with a PDF icon and the text 'TRANSNATIONAL EDUCATION IN 4 COUNTRIES OF THE ADRIATIC REGION'.

The third screenshot shows a 'TRAINING COURSE' announcement for 'WP3 - Development of the training for HEIs'. The MAREN logo is prominently displayed at the top.

The FraudSCAN database is a tool that collects the scanned copies of fraudulent qualifications and qualifications issued by Diploma Mills received by the ENIC-NARIC centres partners of the projects FraudSCAN and FraudS+.

The database provides credential evaluators with a useful tool to carry out assessments and to prevent the circulation and the use of fraudulent qualifications, building on the expertise and experience of colleagues from ENIC-NARIC centres. The database is accessible to staff of the [ENIC-NARIC centres](#) only.

The FraudSCAN database has been developed in the framework of **two different projects**, co-Funded by the European Commission in the framework of the Erasmus+ programme - Action 3 (Support for Policy Reform), both conceptualized and coordinated by [CIMEA](#) (Italy):

MAREN Secretariat

Created within the MAREN project, which is co-funded in the framework of the Erasmus+ Programme of the European Union, the MAREN secretariat plays a key role in facilitating the network and project activities and it will offer the logistical support for the development of further institutional and academic cooperation among Higher Education Institutions in the Mediterranean region.

Thanks to its geographical location and the cooperation with the project partners, it will host project meetings and facilitate the sharing of information on relevant issues in the Mediterranean Region within the partnership and beyond.
