

Roadmap for international cooperation in higher education beyond 2030

Elisa Petrucci – *CG GPD Co-chair, Italy*

5th CGGPD Meeting

10 June 2026

Why?

Previous documents

- Looking out: The Bologna Process in a Global Setting (Pavel Zgaga, 2006).
- European Higher Education in a Global Setting. A Strategy for the External Dimension of the Bologna Process (London, 2007).
- The European Higher Education Area (EHEA) in a global context: Report on overall developments at the European, national and institutional levels (2009).

These documents focused on exporting the Bologna model and ensuring that Europe was an attractive destination for mobile students. After 20 years, a new reflection is needed.

What

A **policy** document. A **Roadmap** for the EHEA to support international cooperation among world macro-regions in higher education. Building on the work done in the GPS (until 2030), it will have a forward-looking perspective (beyond 2030).

- 1 Document developed in the framework of the Global 2030 project.
- 2 The document will be referenced in the Iași-Chișinău Ministerial Communiqué.
- 3 The GPS as a basis for solid and shared priorities >> medium-long term vision and action.

Outline of the document

- 1 Overview and aim of the document
- 2 Setting the scene
- 3 Cooperation objectives with other macro-regions
- 4 Way forward

Topics discussed: role of higher education institutions; strengthen mutual understanding, transparency and comparability of education systems; role of governments and their relationship with other actors; new forms of cooperation
